# The Process

1.

## Consult & Brainstorm

Let's get to know each other. We want to hear your goals and expectations.

2.

## Wireframe & Planning

After we get a good idea of your vision, its time for us to plan out your site.

3.

## Design & Revisions

Time to show you the design of your website and complete the final touches.

4.

## Launch & Maintain

Congrats! Time to launch your website on the web. We also offer ongoing maintenance packages to keep your site in good working order.

**AVERAGE TURNAROUND: 4-6 WEEKS**
